Choose the legs to match your bedframe:

For bedframe with mattress only:
use short legs with the bedframe below.

For bedframe with boxspring and mattress:
use tall legs with the bedframe below.

(bedframes sold separately)
1. Align legs with the headboard. Match the leg labeled "R" with the "R" on the headboard. Match the leg labeled "L" with the "L" on the headboard.

2. Attach the hardware as shown and tighten.

CARE INSTRUCTIONS:

Hardware may loosen over time. Periodically check that all connections are tight.

Wipe with a soft, dry cloth. To protect the finish, avoid the use of all chemicals and household cleaners.

Headboards are designed for placement against a wall.
Attaching the headboard to bedframe for mattress only:

1. The correct placement of the headboard is for the lower horizontal bar to face forward, so it is flush with your mattress.
2. Align hardware as shown and tighten.
