Important Safety Instructions:
- For safety purposes, this lamp is equipped with a polarized plug (one blade is wider than the other). If the plug does not fit securely into your outlet, do not force it-contact a professional electrician. Use the plug with an extension cord only if it can be fully inserted into the cord’s socket. Never alter the plug in any way.
- These instructions are provided for your safety. It is important that they are read carefully and completely before assembling fixture.
- This fixture has been rated for up to (1) 60-watt maximum type A bulb (not included). To avoid the risk of fire, do not exceed the recommended wattage.

Warning:
- To reduce the risk of fire, electrical shock or personal injury, always turn off and unplug lamp and allow it to cool prior to replacing light bulb.
- Do not touch bulb when fixture is turned on. Do not look directly at lit bulb.
- Keep flammable materials away from lit bulb.

Pre-assembly:
- Remove all parts and hardware from box along with any plastic protective packaging.
- Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

Parts enclosed:
(1) Shade Ring (A)
(1) Shade (B)
(1) Socket (C)

Assembly Instructions:
1. Unscrew the shade ring (A) from the socket (C).
2. Put the Shade (B) onto the Socket (C), then secure it by tightening the shade ring in a clockwise direction.
3. Insert a bulb – MAX TYPE A 60W (not included) into the socket.
4. Plug the fixture into proper electrical outlet.

Care instructions:
- Clean with soft, dry cloth.
- Always avoid the use of harsh chemicals or abrasive cleaners as they may cause damage to the lamp.
