Important Safety Instructions:
· For safety purposes, this lamp is equipped with a polarized plug (one blade is wider than the other). If the plug does not fit securely into your outlet, do not force it—contact a professional electrician. Use the plug with an extension cord only if it can be fully inserted into the cord’s socket. Never alter the plug in any way.
· This instruction is provided for your safety. It is important that they are read carefully and completely before assembling fixture.
· This fixture has been rated for up to (1) 60-watt TYPE A standard bulb (not included). To avoid the risk of fire, do not exceed the recommended wattage.

Warning:
· To reduce the risk of fire, electrical shock or personal injury, always turn off and unplug lamp and allow it to cool prior to replacing light bulb.
· Do not touch bulb when fixture is turned on. Do not look directly at lit bulb.
· Keep flammable materials away from lit bulb.

Pre-assembly:
· Remove all parts and hardware from box along with any plastic protective packaging.
· Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

Parts enclosed:
(1) Shade Ring (A)
(1) Socket (B)
(1) Shade (C)

Assembly Instructions:
1. Unscrew the shade ring (A) from the socket (B).
2. Place shade (C) onto the socket, then secure it by turning the shade ring (A) in a clockwise direction.
3. Insert a bulb - Max 60 Watt (Type A) Standard (not included) into the socket (B).
4. Plug the fixture into proper electrical outlet.

Care instructions:
· Clean with soft, dry cloth.
· Always avoid the use of harsh chemicals or abrasive cleaners as they may cause damage to the lamp.
