Assembly Instructions

! Do not throw away packaging materials until assembly is complete.
! To protect finish, assemble this item on a soft surface such as cardboard or carpet.
! Proper assembly requires two people.

Care Instructions:

! Hardware may loosen over time. Periodically check that all connections are tight.
! Wipe with a soft, dry cloth.
! To protect finish, avoid the use of chemicals.

Hardware

A. Hex Key SS-1026
B. Bolt 5/16-18 SS-5348
C. Washer Flat 1/4 IN SS-1112
D. Lock Washer SS-1115

1. Open the Velcro patches on the bottom back of the headboard to expose the slots and remove legs from hidden storage. Stand headboard upright to determine the desired height.

![Fig 1. Legs are hidden behind Velcro patches with tool and hardware](image)

2. Align the bolt holes on the platform portion of the bed assembly with the slots in the headboard to the desired height as seen below. Align at position 1 for a taller headboard or at position 2 for lower frames such as platform bed.
